Promotional Ideas, Tips and Reminders!

- **Reminder!** A promotional item order can take anywhere from 24 hours to 14 days to produce. Items shipped from California can take 5 days to ship ground. Don't wait! Stock, shipping and weather can all effect the arrival of the products that you want!
- **Idea!** Do you have art on file for a product that you order repeatedly? Why not switch up the imprint colors and item color to give your item a seasonal new look and save on a set-up fee?
- **Idea!** Order BIG shopping bags featuring your logo and hand out at shopping centers. Promote where your street team out and about at rewarding shoppers using your bag. Don't forget to add pictures to your social media sites and make sure your street team is recognizable!
- **Idea!** Print a QR code on a product (Quick Response code) that links to a special webpage that has a unique promotional game or scavenger hunt where contestants win a prize or tickets.
- **Reminder!** Have you ordered the awards that you use to honor your dedicated employee(s)?
- **Idea!** Order etched wine, champagne or cocktail glasses to use and give as gifts in a custom printed bag at your Holiday party.
- **Idea!** Order new shirts, jackets, umbrellas and messenger bags for your employees, clients and vendors.
